A Christmas Tradition

Once you have given your Scout Elf a name, then the magic starts...

Your Scout Elf will watch the children and report all the day's adventures to Santa every night. That's how Santa knows who's been naughty and who's been nice! Every morning children will try to find where their Scout Elf is hiding.

To preserve the magic your Scout Elf must not be touched. This special tradition has captured the hearts of children all over the

world who have embraced the magic of adopting their very own Scout Elf. Bring the Christmas magic home to your family this year.

Box set includes: The Elf on the Shelf: A Christmas Tradition – a hardbound children's book, and one of Santa's official Scout Elves.

Our delivery services

We now offer a wide range of delivery services to make shopping even more convenient with Argos. We deliver everywhere in mainland UK and Northern Ireland as well as to the Channel Islands (thanks to our friends at Ship2me). We can also deliver some larger items to the Republic of Ireland, but sorry there are still some areas we can't deliver to - see page 1684 of the Autumn/Winter 2018 catalogue or visit argos.co.uk/delivery.

Fast Track Same Day Delivery Service

This service is available on eligible items which are badged with the Fast Track logo online. The same day service is available 7 days a week with a choice of 4 time slots and a standard delivery charge of £3.95. Subject to availability. Delivery times for this service are 7am - 10pm, 7 days a week.

If your Fast Track item is out of stock locally our approved 3rd party partner may be able to deliver from the next day if you order by 8pm. Delivery times for this service are 7.30am-9.00pm Monday to Saturday (exc Bank holiday). If no-one is in and a signature is not required then our drivers will look to leave your parcel in a safe place or with a neighbour and will leave a card to let you know where to pick it up from or how to re-arrange delivery if needed.

Larger items

These items are delivered by our 2 man delivery service. Next Day delivery is available on selected items if you place your order before 8pm (subject to availability). We deliver 7 days a week (exc bank holidays) and you can choose a convenient time slot. Delivery is available from £5.95, and from FREE "Named Day Delivery" service on large kitchen appliances (including washing machines, tumble dryers, washer dryers, dish washers, fridge freezers, cookers and hobs). See online for more information.

In most cases you can choose a delivery date and time when you order online, in store or on the phone, otherwise we will call you to book a suitable time. Check your receipt or email for delivery information. On the evening before delivery - or occasionally on the morning of your delivery - we will text you your 2 hour delivery slot so you do not have to wait in all day. On your delivery date, drivers will phone ahead up to 1hr before they arrive (unless it is an early morning delivery). Any large item deliveries marked 'home delivery only' will be delivered to your room of choice provided drivers do not feel there are any health and safety issues, such as a staircase that is too narrow, or there is danger of damage to your property. If your order is a combination of small and large items: These will be despatched from different warehouses and will be on separate deliveries, but you only pay one delivery charge.

Supplier Deliveries

Some items are delivered direct from our suppliers and may arrive separately or have different lead times from our standard service. We will notify you if this is the case when you order.

Recycling

Please dispose of your old electrical appliances and any waste batteries responsibly, see page 1685 of the Autumn/Winter 2018 catalogue for more details.

Returns

If you decide within 30 days of the delivery that you'd like to return something, it's easy just call us on 0345 640 0800 and we will collect it. See page 1685 of the Autumn/Winter 2018 catalogue for our full After Sales Policy or visit argos.co.uk/help/returns-and-refunds.
